## Three Entered in Union Board Race

THREE CANDIDATES HAVE ENTERED THE UNION Board chairman race with voting to be held during the thirteenth week.

Included are Joe Merrigan, TKE-Alpha candidate, Bill Needels, Sig Tau-Delta Zeta candidate, and Carolyn Boner, Phi Sig-Tri Sig candidate.

The Union Board, one of the most active student organizations on campus, co-ordinates the all-school social events and activities which includes sponsorship of all major social events.

CHAIRMAN AND VICE-chairman of the board are the only positions chosen by ballot. Winner of the election will become chairman while the candidate receiving the second most votes will become vice-chairman.

The two day campaign, tentatively scheduled for Thursday (See "Chairman," Page 3)

## Mo. Congressman Speaks to YDC

MR. HOWARD MASTERS, representative to the Missouri Congress from Nodaway County, will be guest speaker at tonight's meeting of the Young Democrats Club. Mr. Masters, a resident of Skidmore, Missouri, has been instrumental in the introduction and passage of several important bills during the past legislative general assembly.

"Problems Facing the Missouri State Legislature" will be Mr. Master's topic and will include a discussion of appropriations for Missouri's State Colleges. The talk is being planned on a non-partisan basis and all students are invited to attend.

The meeting will be held in the lower lakeview room of the Union and will begin at 7:00 p.m.

## The Meaning of Easter

By Beverly Lyle, First Prize, President's Essay Contest

The dictionary defines Easter as a festival of the Christian Church to commemorate the resurrection of Jesus Christ. But one must remember that the most important concern of Easter is not resurrection alone, but death and resurrection — the coming of life out of sacrifice. Easter is celebrated with great joy because it promises a like resurrection to all who have accepted the Faith of Christ.

And Easter is what I am reminded of as I look at the shadow box in President J. W. Jones' office. Starting at the beginning with the death of Christ, I am reminded of the mourning of Christians for their Savior when I look at the black interior at the sides of the box. The gold frame and background remind me of the richness of the Christians' love for their Savior. A love that could not be tarnished.

The cross is a symbol of both life and death, for the Christian finds life through the cross, the instrument of Christ's execution. This is so because then, as now, the priest touches the parts of the body of the newly baptized soul with a cross, calling them to life with the very instrument of death.

On one side of the shadow-box cross, there is an angel praying. On the other side of the cross is a tortoise. I believe these to be conflicting symbols: the angel represents a messenger of God promising eternal life and resurrection to those who have accepted the Faith of Christ; yet the tortoise is opposing the angel and her message; this reptile represents the coldness of the non-believers. It represents the protective shield with which these non-believers have covered themselves. This shield keeps them from any form of self-sacrifice.

Yet in the background is blossoming white rose, representing, and calling for, freshness and purity of soul. It is beckoning for all to share in the beauty of resurrection.

## Traffic Violation Crackdown Planned

A CRACKDOWN BY COLLEGE OFFICIALS ON ON-CAMPUS traffic violators will begin April 15 according to Mr. Luther Belcher, business manager. Special emphasis will be placed on parking and car registration regulations.

All cars used regularly on campus must be registered in

### SNEA Tours Mo., Iowa High Schools

THE ANNUAL SNEA TOUR was held April 7 during which an assembly program in the form of a television program was presented at Fairfax and Tarkio, Mo., and South Page, Iowa.

Don Petry, local SNEA president, was master of ceremonies and panel moderator of a discussion called "Facing Higher Education." Par- (See "Tour," Page 2)

the business office, Mr. Belcher said, and an unannounced check of all cars is planned.

Cold weather and the banks of snow in the parking lots had prevented strict enforcement earlier in the semester he indicated.

PARKING DECALS MUST be displayed on the rear window of the car and the car must be parked in the lot designated by numbers after the April 15 deadline. The decals must be installed according to instructions, not attached with tape.

Failure to display the permit or parking in any area other than that assigned is a violation and subject to fine.

Either payment of the fine or a request for an appeal to the student court must be made within 24 hours. Fines paid after 24 hours will increase \$1.00 for the first day and 25 cents every day thereafter.

## Afternoon Concert Also Planned for May Date

LES BROWN'S "BAND OF RENOWN," HAS BEEN SIGNED to play for the Spring Formal, May 6, according to Bob Chadwick, central party committee chairman. It will be their second appearance at NWMSC in two years.

This last scheduled all-school formal of the year will be held in the new gymnasium from 9:00 a.m. to 1:00 p.m. Tickets will be three dollars per couple.

The orchestra will also present a concert to be held the same day from 4:00 to 5:00 p.m., Chadwick said. This assembly will be open to all students and faculty; no admission will be charged.

## Three Scheduled For 1960-61

AN ADDITION OF THREE speakers to the 1960-61 assembly schedule has been announced by the assembly committee.

Included are William Douglas, supreme court justice, Wernher Von Braun, one of the nation's top missile experts, and Eric Sevareid, radio and television news analyst.

Planned for evening presentation, these programs, along with the Air Force band, will be supplemented by four additional speakers who will be on campus for specific departments.

THE BAND WAS BROUGHT to the campus last spring for the Sigma Tau Gamma fraternity's first annual pop concert.

The dance is being planned and arranged by the Union Board's Central Party Committee. Members are Marvin Wright, Clyde Brown, Bill Stevenson, Perry Spies, Joe Merrigan, Larry Kulisek and Roland Stanton.

## Horace Mann High Closes Sept. 1, Regents Declare

There will be no more Horace Mann High School classes after Sept. 1, the State College board of regents has ruled. Declining enrollment and possible future decreases in face of county school reorganization brought about the decision to close the 37-year old institution.

Approximately 118 students are attending high school classes at Horace Mann now.

Elementary School to Continue Only the high school is affected by the decision. The elementary grades, kindergarten through six, will be continued on a laboratory basis.

The 60 students in the seventh and eighth grades possibly also will be continued, but definite plans are still to be consummated, depending on a Maryville R-II program.

Off-campus professional laboratory experiences, including student teaching, are now available in St. Joseph, North Kansas City, Chillicothe, Savannah, Stanberry, King City and other schools in the College district. Negotiations have not been completed with the R-II District (See "Horace Mann," page 2)

### Eleanor Steber

Shown above is Eleanor Steber, versatile Metropolitan Opera soprano, who will appear here next Tuesday, April 19, in an 8:00 assembly in the Health and Physical Education Building. Students will be admitted by activity tickets. The public will be charged \$1.00.

The program will include both the classic operatic arias and works of contemporary composers, showing her versatility.

Miss Steber has been enormously popular wherever she has appeared.

## Follows Lead of Other Colleges, Universities

## Michigan SC Denounces Loyalty Oath

A RESOLUTION WAS PASSED RECENTLY by the Student Council of Eastern Michigan University, denouncing the loyalty oath provision of the National Defense Student Loan program.

Many other leading colleges and universities throughout the nation have filed protests to the loyalty oath.

Princeton and Harvard along with nearly a score of other colleges and universities have refused to accept government aid if they must force students to sign the provision.

THIS ACTION HAS BEEN TAKEN against the two-part disclaimer affidavit required of every student who applies for a loan under the new federal aid program.

Students must state that they do not "believe in, and are not a member of and do not support any organization that be-

lieves in or teaches the overthrow of the United States Government by force or violence or by any illegal or unconstitutional means."

They must also swear that they are loyal to the U.S. government.

EASTERN MICHIGAN UNIVERSITY'S Student Council, by a unanimous vote, acted to notify the Congressional representative of every student in attendance of its position on the oath. They will be asked to "review the validity" of the oath.

Most criticism has been based on the ideas that the oath singles out students for a "loyalty-check" and thus is discriminatory, that it stifles freedom of thought and expression and that subversives would not hesitate to sign the oath anyway.

regarding the off-campus teaching program locally.

Because of the need for college faculty, the current year represents the best time to ab-

sorb the faculty of the Horace Mann High School into the College staff. Resignations, leaves of absence, retirement and vacancies and needs in College instructional departments have contributed to this situation.

### Tour . . .

(Continued from Page 1)  
Participants were Merlin Harness, Bruce Wake, Marlene Christensen, and Patsy Smith.

Humorous commercials were presented by Karen Mast and Kay Nation. Pat Dunham gave an imitation of Charlie Weaver reading "A Letter from Mamma". Janet Sue Plummer accompanied the singing of Connie Stoops and Don Petry.

Dr. Wanda Walker, sponsor and state SNEA adviser, accompanied the group.

Question: What takes the place of studying in the springtime?

Stephanie Johnson, Junior,  
St. Joseph, Missouri

I love to go on picnics and play tennis during this time of the year. I also enjoy the afternoons of leisure and working for Dr. Harr.

Jeannette Bjorn, Junior,  
Exira, Ia.

My favorite thing to do in the springtime is strolling through the campus observing nature at work and enlarging special interests.

Marvin Skinner, Sophomore,  
Lucas, Iowa

I intend to have much more relaxation and general outdoor activity. This would also include a great deal more den life.

Shelby Watson, Sophomore,  
Derby, Iowa

I intend to do a lot of picnicking, playing outdoor sports, and general fooling around while this lovely weather lasts.

Jerry Horton, Freshman,  
Clearfield, Iowa

I plan to have some wild, wild parties and do a lot more dating. Mid-terms are now over and I will be able to this more easily.

Ronald Jones, Freshman,  
Clearfield, Iowa

I will probably continue studying, but I will look out the window a little bit more and think of what I could be doing.

Wayne Anderson, Junior,  
Audubon, Iowa

I never let anything interfere with my study habits. It does not make any difference what time of the year it is!

Pat Reinert, Junior,  
Savannah, Missouri

I like to just be outside in this wonderful weather doing anything and everything.

## THE STROLLER

WHILE MEANDERING THROUGH THE LIBRARY Wednesday, the day before a Humanities test, The Stroller noticed an unusually long line. Always curious, he decided to join in and see where it led. After waiting for nearly two hours, he found himself standing before a librarian who said, "Sign here for the 'Masterplots'." And who says college students can't think for themselves?

The Stroller has been having fun lately viewing the summer sports, (ie,) track, baseball, fraternities talking about their sister sororities and the romance blossoming with the spring weather.

All the world may love a lover, but not when he's driving on the narrow campus drive! Or possibly that should be "what's left of the campus drive." By the way, The Stroller understands that the City of Maryville is importing a derrick to lift little cars out of big holes. Next week they'll probably have to extract a few big cars too.

WHILE IDLING HER TIME outside the dorm last week, The Stroller was hit by a blast of dust from a window above. Deciding to investigate, she dashed into the room to find a wholesale cleaning taking place. The Stroller has often wondered how the amount of junk which has completely cluttered an entire room could be stuffed into a tiny closet so fast. It's a good thing they don't have any more of these inspections or the whole dorm might be swept away.

The Ugly Man contest seemed to become more active than expected. With Doc.

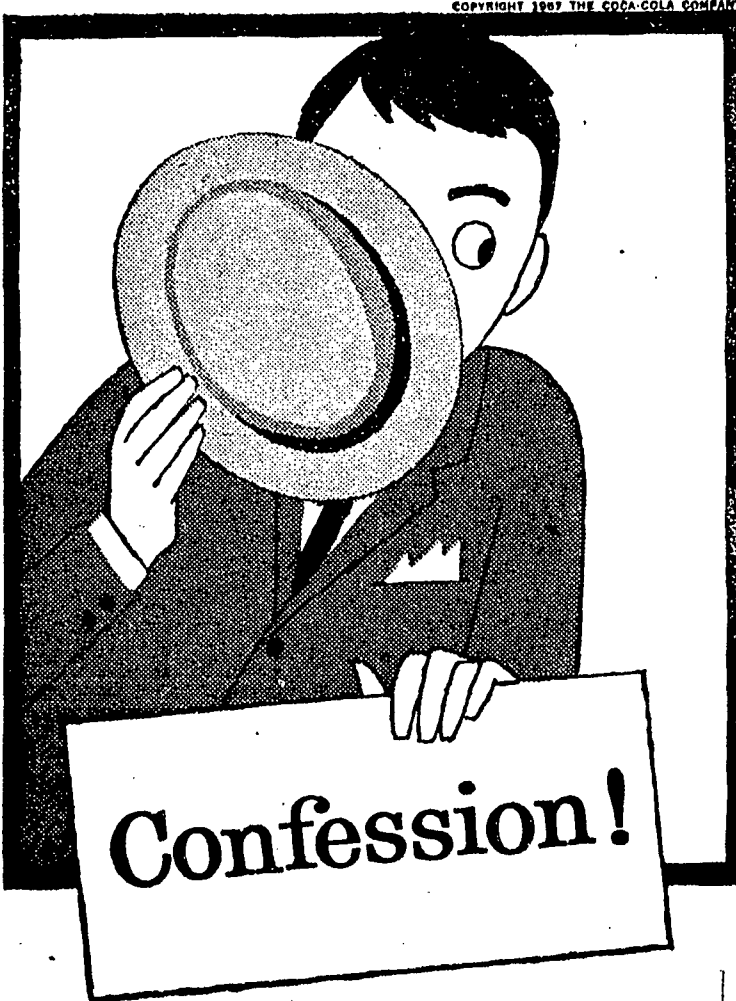

Surrey trying to hold his past position in the Faculty Division and a few other "Euglies" breathing down his neck, The Stroller wondered if the entire political science department wasn't designing the campaigns.

And with this The Stroller dashes away to listen to the cool sounds of the new stereo which are filling the spring air.

## Listening, Dances Planned

# Stereo Set Installed in Union

THE UNION BOARD HAS ANNOUNCED the purchase of a new stereo set to be installed and used in the J. W. Jones Union Building. The set was purchased by the Improvement Committee headed by Jack Freese with the assistance of Bill Needles, Chairman of the Union Dance Committee.

The new stereo set is expected to become an important link in the expansion program of Union facilities according to Freese.

It has been installed in the Stereo listening room, formerly the TV room, and a program is being set up by the Union Board whereby the room will be available in the evenings and possibly afternoons for students to listen to records and study by stereo.

A MAJOR REASON FOR THE PURCHASE of the system was to make it available for weekend dances, mixers, and other social affairs in the Union Lounge. Bill Needles expressed the hope that this project can be expanded to include dancing on the deck this spring and provide better facilities for weekend dances.

A basic library of stereo records valued at \$100 is being donated to the Union Board by Mr. Harry Sheetz, owner of the Sheetz Firestone Store in Maryville from whom the new set was purchased.

Freese indicated that a plan is being drawn up whereby each Greek, departmental and honorary organization would be asked to donate one stereo album to help expand the record library.

## Deal Grabs Title During Iowa Meet

GARY DEAL, NWMSC WEIGHTLIFTING SENSATION from Council Bluffs, Iowa, added another title to his long list the weekend of April 1 and 2. The meet was the North Central States Weightlifting Championships at Sioux City, Iowa.

Entrants were from Kansas, Missouri, South Dakota, Illinois, Nebraska, and Iowa.

Unable to get down to 198 pounds before the meet, Gary was forced to participate in the heavyweight division.

SECOND PLACE WENT TO Jim Ellis, an outstanding weightlifter from Kansas City, Missouri. Third place honors went to Pete Bradagon of Manson, Iowa.

Deal hoisted 285 pounds in the press, 250 pounds in the snatch, and 305 pounds in the clean and jerk.

Gary's next meet will be May 21, when he travels to Baton Rouge, La., for the Southern United States Olympic tryouts.

The first and second place winners in this meet will earn the right to participate in the Olympic Tryout Championships in Pennsylvania. The first two winners of the Pennsylvania meet will represent the United States in Rome next summer on the U.S. Olympic Weightlifting team.

## EDITORIAL

## Let's Add Our Voice

The following editorial is an open letter to the NWMSC Student Senate by Bob Lafferty, editor, Northwest Missourian.

The page one article which illustrates the recent outburst of indignation to the loyalty oath provision of the National Defense Student Loan program must be met with more than passive interest.

Why, among the many socio-economic groups receiving loans from the national government, have college students been singled out to prove their loyalty in this manner?

Is this not discrimination in its highest form?

The nation was shocked when it finally realized what the book-burning actions of such people as the late Senator Joe McCarthy could do to stifle the freedom of thought upon which this nation is based and yet here again is another vestige of that philosophy.

There are still those, such as the American Legion and the Daughters of the American Revolution, who claim opposition to loyalty oaths is tantamount to un-Americanism.

What can be more un-American than forced loyalty?

Nothing could be more valid than the well thought-out criticism of this oath—criticism which has come from scores of student, faculty and administration sources. Yet still the oath provision stands.

It is therefore requested that the Student Senate of this college follow the lead of institutions like Eastern Michigan University and add its voice to the already resounding cry, letting it be known that we too want this black mark on the name "student" be stricken from the record.
